“Women’s Role in Lutheran Hour Ministries’ Men’s NetWork”

It’s called the Men’s NetWork, but that doesn’t mean women can’t be an important part in the process of getting men involved. This presentation revolves around a woman’s need to understand the LHM’s Men’s NetWork and support the men in her life in using these resources to become a better role model within the family, congregation, and community. Join Bruce and Lorri as they examine both sides of the “he said, she said” story in this fact filled, yet humorous approach to the Men’s NetWork.

Mirsching

Saturday—11:00 a.m.—**Bervin Mirsching—“Catalyst: Lutheran Hour Ministries”**

Amidst the deluge of information, misinformation, and disinformation in the “Information Age”, more people than ever need to hear the eternal truth in the salvation story of Jesus. It has never been more important for Christians to focus on the mission to which we are called. Learn how LHM is addressing this focus through its many ministries.

Guldalian

Saturday—2:30 p.m.—**Sarah Guldalian—“Equipping to Share: Lutheran Hour Ministries”**

It is no coincidence that God has put you in this very place, at this exact time, with this specific person. In fact, it’s a mission moment, ordained by God, for you to share the message of His Son, Jesus Christ. But how? EQUIPPING TO SHARE helps get you ready for witnessing with insights from Scripture, real-life witnessing experience, and practical exercises—all with a great deal of interaction, heart, and humor. Join Sarah in this instructional workshop to learn easy and practical ways of sharing your faith without delay.
